Mr. John L. Sowers
JOHN L. SOWERS
235 Panorama Drive
Bakersfield, CA 93305

Dear Mr. Sowers:

The Environmental Protection Agency has not made a determination regarding the UIC Injection Zone Exemption request for the Olcese zone in the Baker-Grover area of Mount Poso field. Therefore, approval to inject into your existing water disposal well already completed in this zone is extended indefinitely. If the Olcese zone exemption request is not approved, you will be given six months, from that point, to discontinue injection.

A. G. Hluza
Deputy Supervisor
